

Jackie Click Merrill graduated from Georgia Southern University in 1992 with a degree in Family and Consumer Science education. She has been teaching FACS for 26 years. She has spent most of her teaching career in Bulloch county but has also taught in Screven county and Jacksonville, Florida. She has been a past WTOC top teacher. She is a member of AAFCS, GACTE and GATFACS. She has served on the GATFACS board in the past as part of the nominating committee. Jackie is also on the advisory Board for Ogeechee Technical College in Statesboro, Georgia. She has taught in all areas of FACS from interior design to culinary arts and is currently teaching in the ECE pathway. She has been an FCCLA advisor for many years. She is an advocate for CTAE and especially Family and Consumer Sciences.

Her educational philosophy is that all children can learn and grow. School isn't all about facts and education. It is also about learning to grow and become a better person. Many life lessons are learned and taught while in the FACS classroom. She believes it is important to prepare her students for what they are going to experience in the real world.

Jackie is married to Chris Merrill and they have three children. She resides in Statesboro, Georgia and is currently teaching at Southeast Bulloch High School.
