

My name is Samantha Henderson. I have worked for Carroll County Schools for 23 years as a Family and Consumer Sciences teacher. I received my Bachelor of Science in Home Economics from Berry College in 1996, my Masters in Technology Education from Lesley University in 2006, and my EdS in Administration and Supervision from Lincoln Memorial in 2008.

I am married to my husband, JW for 24 fantastic years. I am the mother of 4 adult children and 3 bonus children, April (Brandon), Chris (Heather), Kaitlin(Taylor), and Nicholas. Nana to 2 granddaughters, Alexis -16, Bailey - 4, and 4 grandsons, Gavin -11, Jack - 10, Grayson -3, and Carson 4 months. Besides spending time with my family, I enjoy sewing, scrapbooking, and have a ferocious appetite for reading.

I believe that CTAE is essential to prepare all students to succeed in the workforce with soft skills, technical reading levels, and problem-solving abilities.
