

2024 GATFACS Roundtable Sessions
Thursday, January 25 3:00pm – 4:00pm
***3 Rotations of 15 minutes each**

Table	Content	Title & Description	Facilitator
1	FCCLA	Families First National Program Come and learn about the newly released Families First National Program and how to put the units Dynamics, Balance, Development, Safety and Skills to use for your classroom and FCCLA Chapter.	DJ Youngblood douglas.youngblood@walton.k12.ga.us Monroe Area High
2	FCCLA	FCCLA - One Small Visit One Small Visit is a captivating 30-minute film about the incredible true story of an immigrant Indian family who unexpectedly passes through the quaint Midwest hometown of Neil Armstrong amidst the backdrop of the 1969 moon landing and the civil rights movement. Their unexpected arrival leads them to the doorstep of the Armstrong family. This short video with lesson plans can be used with your FCCLA chapter or in FACS classes to nurture a sense of community and to encourage your members to share their story.	Kathryn Snelson knelson@liberty.k12.ga.us Bradwell Institute
3	FCCLA	Growing your FCCLA Membership In this workshop, you will learn a variety of tips for managing a successful membership drive. We will discuss strategies for developing student incentives and promoting participation. If you're ready for new ideas to grow your FCCLA membership, this workshop is for you.	Carmen Pedersen carmen.pedersen@barrow.k12.ga.us Apalachee High School
4	FCCLA	Work Smarter, Not Harder Use FCCLA competitive events in your classroom to enhance instruction and increase STAR event participation. I will share how I convert FCCLA rubrics into classwork and how you should, too!	Brooke Lewis-Slamkova blewis@barrow.k12.ga.us Apalachee High School
5	Nutrition & Food Science	Food Competitions Combining standards and fun competition. Focusing on standards FNW 11, FS 1, 4 & 8.	Shirley Azbell sazbell@forsyth.k12.ga.us North Forsyth High School
6	Nutrition & Food Science	FACS Daily Routines! A FACS classroom built on procedures and routines is more likely to foster positive relationships, experience daily productivity, and enjoy a relaxed environment—even in the face of challenges—than an unstructured and unpredictable classroom. Take a look at these Daily routines for FACS classes that our teachers use across GCPS!	Courtney S Tiger Courtney.S.Tiger@gcpsk12.org Mill Creek High School
7	Nutrition & Food Science	Egg Baby Project.. But Make It Foods Friendly Description: Taking the egg baby project commonly used for infant development in ECE and making it nutrition based while also teaching important time management and care skills needed for newborn. HUM-FL-1, HUM-FL-5, HUM-FL-6	Madison Adams f43368@forsyth.k12.ga.us Lambert High School
8	Nutrition & Food Science	WIC Activities to Incorporate into your Classroom List of ideas for introducing students to food supplement programs such as WIC and how to find or create recipes using foods on the WIC list. HUM FL 3	Dawn.Krautter Dawn.Krautter@lanier.k12.ga.us Lanier County High School

9	Nutrition & Food Science	<p>Reboot on planning : Pacing guide In a world full of technology how do we hit reboot on pacing our standards, lessons and professional duties while juggling personal time? Join this roundtable to get back to the basics of curriculum by hitting re-boot on technology and pace into a more peaceful schedule.</p>	<p>Kayla Hartline Chattooga High khartline@chattooga.k12.ga.us</p>
10	Nutrition & Food Science	<p>Navigating Individualized Learning Understanding accommodations, modifications, and differentiation in a FCS classroom.</p>	<p>Mallorie Corley mallorie.corley@toombs.k12.ga.us Toombs County High School</p>
11	Nutrition & Food Science	<p>Thank Goodness for Food Science Inventions This session takes a look at how Food Science Related Inventions have impacted our lives through the years and how we take so many of them for granted. Students learn about many of the common food science related inventions and how useful they are and convenient they make our lives. Then they create a prototype of their own food science invention to help improve the world of food.</p>	<p>Mandy Willson awilson@crispschools.org Crisp County</p>
12	Nutrition & Food Science	<p>Exploring Basic Chemistry Concepts of Food Science Defining Mixtures: Homogenous and Heterogeneous Mixtures (Solute, Solvent, Solution)HUM-FS 4.2, 4.4,4.7</p>	<p>Adrienne.Fagan Adrienne.Fagan@cherokeek12.net</p>
13	ECE	<p>Writing a Children's Book Come by and learn a quick writing technique that will introduce the fundamentals of writing children's books by focusing on the plot. Participants will be able to guide their students in crafting a plot for a short children's story that can be turned into a book for young children. Even the most reluctant writers will be able to create a story using this technique.</p>	<p>Colleen Lagoueyte clagoueyte@ware.k12.ga.us Ware County High School</p>
14	ECE	<p>Mommy Wars Spark great debates among your students as they research and defend various topics related to parenting philosophies, practices, and personal choices.</p>	<p>Aroneysa Braxton-Harris Aroneysa_Braxton-Harris@dekalbschools.ga.org Cedar Grove High school</p>
15	ECE	<p>Preparing for Employment HUM 1.1</p>	<p>Shelley Shelnett sshelnett@walton.k12.ga.us Loganville High School</p>
16	ECE	<p>DAP Choice Board When using project based learning units, this choice board will allow your students to be creative as they create a hands on learning experience for elementary students</p>	<p>Julia McKenzie jmckenzie@pelham-city.k12.ga.us Pelham High School</p>
17	ECE	<p>Organize and Simplify YOUR Life with Life Books Difficulty finding time to grade? Problem solved. Difficulty with students keeping things organized? Problem solved. (for most) Join me as I show and share with you the amazing "Life Books" for students. I will have samples for you to take with you and my contact information so you can request specific assignments, rubrics, templates, etc. This session will help you and your students stay organized, be better prepared, have more time for building relationships, and help create a more positive learning environment.</p>	<p>Charity Masters cmasters@bullochschools.org Southeast Bulloch High School</p>

18	ECE	<p>Multisensory Education The Ron Clark Academy in Atlanta, GA provides teacher training on their innovative classroom management and engaging lessons. Join us for a discussion related to our experiences when we attended a one day training at this dynamic school. We will provide an overview of the experience, academic focus, and unique classrooms we visited. All attendees should be able to take away at least one strategy they can use tomorrow in their classrooms.</p>	<p>Dawn Shiraef dshiraef.cca@catoosa.k12.ga.us</p> <p>Jennifer Davis jennifer.davis@bcsdk12.net W.S. Hutchings College and Career Academy</p>
19	ECE	<p>Make & Takes for ECE Are you needing to add a little fun to your ECE classes? Come learn some "Make & Takes" you can use to teach some of the ECE standards as well as give your students some activities they can put in their "toolbox" they can use when working with children.</p>	<p>Jessica Johnson jessica.johnson@bcraiders.com Bacon County High School</p>
20	ECE	<p>Story Stretchers Do you need a creative activity for your students? Do you want your students reading more? Do you feel as if you're the one working, while your students are unengaged? Story Stretchers can help! This one activity can be used in multiple ECE I units. Story Stretchers get the students reading, causing their creative juices to flow and making them do the work. ET-ECE-7, 8, & 9</p>	<p>Leanne Shockley shockleyl@bcssk12.org Jackson High School</p>
21	Culinary	<p>Carl TALKS Chef Carl takes the "table" to present "Ideas Worth Spreading": valuable new ideas and activities for your culinary class.</p>	<p>Carl Bosier Carl.Dyson-Bosier@sccpss.com Woodville Tompkins</p>
22	Culinary	<p>Recipe of Me</p>	<p>Keio Gayden Keio_Gayden@dekalbschoolsga.org DeKalb County School District</p>
23	TAP	<p>Elevating Student EOPA Scores Through Meaningful Engagement, Discussion, and Collaboration How do you ensure success for your students when they prepare to take the EOPA? Tried and true tips and tricks will be shared in this fast-paced session. 100 percent of students pass the EOPA--even students who typically struggle with tests, anxiety, and confidence! Drop by and see what has worked for us, and more importantly--what has made our students successful!</p>	<p>Andrea Bridges andreabridges@lowndes.k12.ga.us Lowndes High School</p>
24	TAP	<p>Teaching As A Profession - Using AI to Make Planning Easy Learn briefly how integrating AI into lesson planning can create more personalized and effective learning experiences. See how the benefits of AI-driven content recommendations, adaptive learning paths, and automated assessments can streamline the planning process, allowing you to focus on individual student needs and foster a more dynamic and engaging classroom environment.</p>	<p>Jennifer Robinson robinson-jennifer@harris.k12.ga.us Harris County High School</p>
25	TAP	<p>Using YouScience to identify and recruit students YouScience is a fabulous tool to help students, parents and teachers understand which careers are most suited for each student. This roundtable will give you the tools and information to use the data from YouScience to market your pathway to the students who have both the interest and aptitude to be an educator. You will also receive a sample invitation letter that you can modify and use to invite those students to join your pathway.</p>	<p>Jolynn Aubry jaubry@jones.k12.ga.us Jones County High School</p>

26	TAP	History of Education Unlocking the Mystery of making the History of Education fun! Learn which important events to teach and how to engage students in the process	Selena Spain Sims, Ed.D. selena.sims@walton.k12.ga.us Loganville High School
27	Interiors & Fashion	Fashion FUNdamentals Struggling teaching the standards in Fundamentals of Fashion? Incorporate current trends in fashion while teaching students basic styles and parts of garment construction. Building on this concept, students will evaluate how the current styles look on their body type as well as ways to enhance their body type using the elements and principle of design. The final activity includes building a capsule wardrobe that flatters the skin tone and body type for a "pretend client" as a Fashion Stylist.	Leigh Johnson leigh.johnson@berrien.k12.ga.us Berrien High School
28	Interiors & Fashion	Scale, Proportion, and Chair Making in Interior Design Using supplies readily available in our classrooms we can teach these concepts and help prepare students for future assignments using a maquette.	Samantha Henderson Samantha.Henderson@carrollcountyschools.com Carroll Co College & Career Academy
29	Middle School	Engaging your FACS Classes with EMPOWERED and Class Equity	Lillian Mitchell lillian.mitchell@clayton.k12.ga.us Babb Middle School
30	Middle School	Place Setting With A Purpose Activity in which students identify and demonstrate acceptable behaviors for table service and etiquette. MSFCS6–FNW1	Sherry Sheppard & Lisa Duke sherry.sheppard@hcbe.net lisa.duke@hcbe.net Houston County Schools
31	Middle School	Developing Leaders in the Classroom Learn how to encourage students to take a leadership role within the classroom when working with students who have profound needs.	Makaela Fitzwater makaela.fitzwater@hcbe.net Bonaire Middle School
32	General	New Teacher Resources Join my roundtable for tips and tricks for your classes and FCCLA. Learn where to find the best resources to get you on the right path to a successful year!	Pam Anderson ctaern.andersonp@gmail.com New CTAE Teacher Mentor
33	General	Teaching is Terrific Come visit my table to learn various activities to utilize within their Early Childhood Education and the Teaching as a Profession Pathways. We will discuss strategies and practices that will encourage career paths for future educators. Teachers will leave the table with ideas and strategies to use tomorrow in their classrooms that promote the career of teaching.	Heidi Goodin hgoodin@chattflint.org Chattahoochee-Flint RESA STEM
34	General	Children's Tree House Come learn how your school or FCCLA Chapter can partner with Twin Cedars through a community service project.	Kalen Sieck ksieck@twincedars.org Twin Cedars

Thank you for making the 2024 GATFACS Roundtable Sessions a success! Do you have a lesson you would present at Summer GATFACS roundtables at the Georgia ACTE summer conference? Please contact Sheryl Parks, GATFACS Secretary at sparks@bleckleyschools.org.
